Dalahorse

Swedish wooden sculpture is a traditional art form that has been passed down through generations. The Dalahorse, a popular type of Swedish wooden sculpture, is a small, carved wooden horse that is often used as a decorative item or a gift. The Dalahorse is typically made of light-colored wood, such as pine or spruce, and is carved in a simple, stylized manner. It is often painted with bright colors, such as red, yellow, and blue, and is sometimes decorated with intricate carvings. The Dalahorse is a symbol of Swedish folk art and is a popular souvenir for tourists visiting Sweden.
